I here used it constantly in my practice for upwards

it. It is the Physician's Assistant, as well as the safest
family medicine in use. Children drink it with pleasure. It will not nauseate the weakest stomach. It
produces no griping, but operates easily, thoroughly,
and as size to eradicate all imparities from the system if it is properly taken. Already thousands of
living witnesses are ready to testify to its superior
virtues, independent of its purgative and anti-billious
enalifies. It has cured the worst cases of Erysipeias
in a few days. It is a never-failing cure for Headache, Liver Complaint, Jaundice, Kidnew Complaint,

It cleanses by its superior medicinal virtues, the ulcerous humor from the blood and corrupt bile from
the stomach, carrying it off through the natural
cleanses, it invigorates the blood and leaves the system healthy. I ask my friends to test the above
medicine, and pronounce a verdict as they shall be
impressed by the evidence. Those who know me
profusionally will not doubt its worth.

Since its first introduction, no medicine has attained such wenderful popularity, and its sales have increased beyond the most sanguine hopes of tis friends.

Neighbors recommend it as a safe and unequalled

TESTIMONY ... M NORTH CAROLINA.

Certificate of Dr. W. Smith, of Pine Hill, Rich
mond County, North Carolina.

PINE HILL, March 4, 1854.

PEAR Sir: I have been a subject of Dyspepsis, in
its worst form, for the last five year. Such was my
sendition for twelve months that the physicians and
all who saw me said I must die. While in this condition. I was carried to the watering places in Vircondition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to she watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way hôme, I stopped a week at Rutherford on, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drag store to get some necicine for my child and my set. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hoofland's German Bittors," prepared by yeu, and he insisted that I would try the Bittors. He also called the next day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and i commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, the adversaria, and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for a prescription and medicine, the advence of my more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours,

Dr. C. M. Jackson, Philis cliphia.
